INFORMED CONSENT TO CHIROPRACTIC ADJUSTMENTS AND CARE
AT NORTH SHORE CHIROPRACTIC

I hereby request and consent to the performance of chiropractic adjustments and other chiropractic procedures, including examination and testing, various modes of physical therapy and diagnostic x-rays, on me (or on the patient named below, for whom I am legally responsible) by Dr. Gregory Smith DC and/or other licensed Doctor of Chiropractic who now or in the future treat me while employed by, working or associated with or serving as back-up for Dr. Gregory Smith DC, including those working at the clinic or office listed below or any other office or clinic.

I have had an opportunity to discuss with Dr. Gregory Smith DC the nature and purpose of chiropractic adjustments and other recommended procedures and have had my questions answered to my satisfaction. I understand that the results are not guaranteed.

I understand and am informed that, as with any health care procedures, there are certain complications which may arise during a Chiropractic adjustment. Those complications/risks include, but are not limited to, fractures, disc injuries, strokes, dislocations, strain/or sprains, cervical myelopathy(spinal-cord), costovertebral (ribs) strains and separations. Some types of manipulation (adjustment) of the neck have been associated with injuries to the arteries in the neck, leading to, or contributing to serious complication including stroke. I do not expect the doctor to be able to anticipate and explain all risks and complications, and wish to rely on the doctor to exercise judgment during the course of the procedure which to doctor feels at the time, based upon the facts then known, is in my best interests.

I have had the material risk of care explained verbally and in writing [], including the above explanation of the Chiropractic adjustment and related treatment or exams. By signing below I state that I have weighed the risks involved in undergoing treatment and have myself decided that it is in my best interest to undergo the Chiropractic treatment recommended. Having been informed of the risks, I hereby give my consent to that treatment. I intend this consent form to cover the entire course of treatment for my present condition and for any future condition(s) for which I seek treatment.
