FINANCIAL ARRANGEMENTS:

Payment is required at the time the treatment is rendered. Fee schedule is based on face-to-face time with Dr. Gregory Smith DC in 20-minute increments. A standard New Patient office visit (40 to 50 minutes) is $150.00 to $195.00 and subsequent intermediate office visits (20 minutes) are $70.00, this fee schedule is subject to additional charges incurred in the performance of additional procedures for a specific treatment time. Personal Injury and other complex issues require a more complete (60 minute) physical exam and treatment that are billed accordingly (we do not accept liens). Payment is required at the time for all nutritional supplements received. We do not bill insurance. We are considered out of network with all providers, we do not guarantee payment by any insurance companies. Medicare **does not** cover initial (new patient) or follow up exam(s). **You are responsible financially for all services rendered.**

Appointments: On your 1st Visit you should plan to arrive early to complete your intake forms.

Please be on time for your appointment, we strive to start at your scheduled time.

Certification and Assignment:

To the best of my knowledge, the above information is complete and correct. I have read, understand and agree to the policy of this office. I understand that it is my responsibility to inform my doctor if I ever have a change in health.

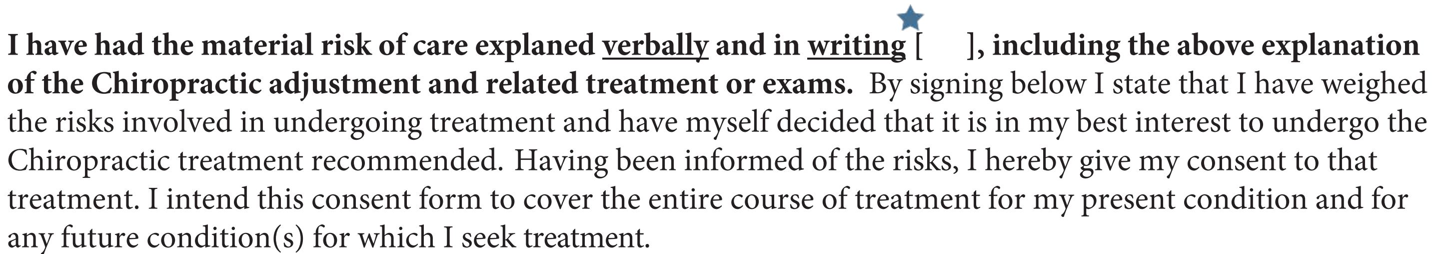
<u>INFORMED CONSENT</u> TO CHIROPRACTIC ADJUSTMENTS AND CARE AT NORTH SHORE CHIROPRACTIC

I hereby request and consent to the performance of chiropractic adjustments and other chiropractic procedures, including examination and testing, various modes of physical therapy and diagnostic x-rays, on me (or on the patient named below, for whom I am legally responsible) by Dr. Gregory Smith DC and/or other licensed Doctor of Chiropractic who now or in the future treat me while employed by, working or associated with or serving as back-up for Dr. Gregory Smith DC, including those working at the clinic or office listed below or any other office or clinic.

I have had an opportunity to discuss with Dr. Gregory Smith DC the nature and purpose of chiropractic adjustments and other recommended procedures and have had my questions answered to my satisfaction. I understand that the results are not guaranteed.

I understand and am informed that, as with any health care procedures, there are certain complications which may arise during a Chiropractic adjustment. Those complications/risks include, but are not limited to, fractures, disc injuries, strokes, dislocations, strain/or sprains, cervical myelopathy(spinal-cord), costovertebral (ribs) strains and separations. Some types of manipulation (adjustment) of the neck have been associated with injuries to the arteries in the neck, leading to, or contributing to serious complication including stroke. I do not expect the doctor to be able to anticipate and explain all risks and complications, and wish to rely on the doctor to exercise judgment during the course of the procedure which to doctor feels at the time, based upon the facts then known, is in my best interests.



I have had the material risk of care explaned <u>verbally</u> and in <u>writing</u> [ ], including the above explanation of the Chiropractic adjustment and related treatment or exams. By signing below I state that I have weighed the risks involved in undergoing treatment and have myself decided that it is in my best interest to undergo the Chiropractic treatment recommended. Having been informed of the risks, I hereby give my consent to that treatment. I intend this consent form to cover the entire course of treatment for my present condition and for any future condition(s) for which I seek treatment.
